\*Detroit Testing Laboratory, Inc. August 31,2006

### Standard Consumer Safety Specification for High Chairs – ASTM F404-04e1 / TUV

This consumer safety specification covers the performance requirements and methods of test to ensure the satisfactory performance of the high chair. This consumer safety specification is intended to minimize the injuries to children resulting from normal usage and reasonably foreseeable misuse or abuse of high chairs.

## Rubbermaid Sturdy Chair™ is Engineered to the Highest Standards.

### Work Smarter.
